Student-Driven Campaigns

ACTIVITY GOAL: To encourage a healthy school culture where information regarding substance use is shared and discussed among the school community.

ACTIVITY IDEAS:

1. Engage students to create a media campaign to share information regarding the use of alcohol, tobacco, or other drugs.
2. The campaign can be developed for the purpose of a school event (e.g., field trips, dances, and external events) or shared among intermediate classrooms.
3. The campaign can include announcements, tweets and information on the school website or social media sites.
4. Explore resources from external organizations or community partners to provide a more comprehensive approach to the campaign.
5. Connect with your school Public Health Nurse:
