

For You. For Your Friends. For The Community.

Avoid COVID-19 and Influenza this season.

- To protect classmates, teammates and friends:
- Get vaccinated as soon as possible.
- Stay home and away from others when sick – and encourage others to do the same.
- Wear a mask in crowded public spaces and around vulnerable people.
- Cough or sneeze into your elbow and wash or sanitize your hands regularly.

Scan to find a pharmacy with
COVID-19 and Influenza vaccine.
